---

# Portfolio Highlights

Explore complete projects and case studies at [koladefait.vercel.app](https://koladefait.vercel.app)

- Developed a **NoteKeep application** for managing personal notes using vanilla JavaScript and semantic HTML.
  - Built **Caferio**, a responsive café website focused on clean UI, branding, and accessibility.
  - Implemented a **Quote Generator application** using a REST API to dynamically retrieve and display content.
- 

## Experience

### Frontend Developer Intern — Isentry Technologies (August 2025 – December 2025)

- Collaborated with developers to build and test front-end dashboards using Next.js, TypeScript, ShadCN/UI and TailwindCSS.
  - Contributed to backend API endpoints and improved code quality through peer reviews.
  - Worked in agile sprints and participated in daily stand-up meetings.
- 

## Education

### Bachelor of Technology in Computer Science

Ladoke Akintola University of Technology (LAUTECH) — *Expected Graduation: 2026*

### Software Engineering

SQI college of ICT, Ogbomosho - 2026

---

## Certifications & Achievements

- West African Senior School Certificate Examination (**WASSCE**)  
Iba High School – Kishi | 2021
  - Internship Certificate – Frontend Developer  
Isentry Technologies | 2025
-
